Basic-I®

Industrial-Strength Cleaner

- *Basic-I is formulated specifically for heavy-duty home, industrial, and commercial cleaning jobs.*
- *Basic-I cleaning agents penetrate, emulsify, and remove grease and soil.*
- *Basic-I rinses away quickly, leaving no residue.*
- *Basic-I cleaning agents are biodegradable and break down naturally into simpler compounds, helping eliminate problems with foaming in lakes and streams.*

**For general cleaning (woodwork, floors, showers, etc.):
Mix 1 ounce per one gallon of water.**

**For extremely difficult jobs (barbecue grills, engine
grease stains, etc.): Mix 2 ounces per gallon of water.**

NOT FOR USE ON WINDOWS OR MIRRORS.

PRECAUTIONS & FIRST AID: Contains linear alcohol alkoxylates, mono-ethanolamine, potassium hydroxide, and potassium silicate. Avoid contact with skin or eyes. Gloves recommended. In case of contact, flush area with water for 15 minutes; for eyes, get prompt medical attention. If swallowed, rinse mouth, then give large quantities of water or milk. Call a physician. **KEEP OUT OF REACH OF CHILDREN.**

Basic-I contains no phosphates or nitrates, which can harm the environment.
