35 Wipes

Basic H²™ Organic Super Cleaning Wipes ☆

We believe in a cleaner that doesn't leave behind more toxins than the toxins it's supposed to clean. We also believe in cleaning surfaces faster than you can say Basic H².

Say hello to our popular multitasker, now in a quick wipe. Then say goodbye when you toss it out, because it's also biodegradable.

Benefits

- All the versatility of Basic H² with the convenience of a wipe.
- Versatile cleaner – removes dirt, grease, and grime from any washable surface, inside and out.
- Cuts through the most stubborn grease and grime, leaving no smeary residue.
- Cleans windows, mirrors, countertops, furniture, walls, and more.
- No rinse, no residue, streak-free formula.
- Helps prevent fogging.
- Large, durable 7" x 8" wipes.

Did you know?

Some chemicals may cause hormone disruptions. Others, such as butyl cellosolve, are neurotoxins and nasal irritants. Another toxin, morpholine, can cause liver or kidney damage. Glass cleaners contain ammonia, a poison that can irritate skin, eyes, and the respiratory system.

Basic H²™ Organic Super Cleaning Wipes do not contain these hazardous ingredients.

Shaklee Difference

SAFE

- ✓ Nontoxic
- ✓ No toxic fumes
- ✓ Fragrance free
- ✓ Mild on your hands
- ✓ pH balanced
- ✓ No chlorine bleach

POWERFUL

- ✓ Tough on grease
- ✓ 70% better at cleaning vinyl floors than Pledge Wipes® in third-party performance tests*
- ✓ Less streaking on glass windows than Windex with Vinegar Wipes®*

GREEN

- ✓ Sustainable ingredients from natural sources – derived from coconut
- ✓ Biodegradable wipes
- ✓ No phosphates
- ✓ Recyclable wipes and packaging
- ✓ No dyes

*This performance comparison was done on January 11, 2007 and is valid only for the named products marketed at that time.

Getting started

Lift lid and use as handle to remove cap from canister. Then remove seal. Find the wipe at the very center of the roll, pull it up, and push it through the opening. Put the cap back on the canister. To grab a wipe, pull it slightly to the side. Remember to snap the lid shut when you're finished so the wipes don't dry out.

Directions for best results

When doing windows and mirrors, follow with a dry cloth. Toss dirty wipes in your recycling bin.

Uses

kitchen	appliances, countertops, and sinks
bathroom	mirrors, tiled walls, toilet seat, and tub
automobile	window, dashboard, and vinyl seats
general use	computer keyboard, phones, glass and mirrors, stainless steel, metal, chrome, wood, marble, and sealed granite, vinyl floors
