A vanilla shake that's anything but plain vanilla. It's made with a whey and milk protein blend, so you feel "whey" full. Leucine so you don't lose muscle. And creamy flavor so you don't lose your will. You get all the benefits of a meal. Except it tastes like dessert.

Gluten free. No artificial flavors, sweeteners, colors, or preservatives added.

**How-to:**  
Put 2 scoops of this powder in 1 cup of nonfat milk and mix like you mean it.
