**Instant Protein®  
Soy Mix may reduce  
the risk of heart disease.**

As part of a diet low in saturated fat and cholesterol, 25 grams of soy protein per day may reduce the risk of heart disease.

Two tablespoons of Instant Protein Soy Mix provide 16 grams of non-GMO soy protein. That's why many people are choosing to replace cholesterol-laden meats, eggs, and dairy proteins with naturally cholesterol-free, low-fat soy protein.

Instant Protein Soy Mix makes that choice easy, providing a simple and highly versatile way to add healthful soy protein to your diet without adding significant carbohydrates. Instant Protein Soy Mix can be added to virtually anything you cook or bake, or mixed into a delicious drink.

However you use it, each 2 tablespoon serving of Instant Protein Soy Mix provides 16 grams of healthful soy protein with less than 1 gram of carbohydrate. The soy protein in Instant Protein Soy Mix contains the same high-quality protein as meats, eggs, and milk and provides nine essential amino acids your body needs but can't manufacture itself. The natural isoflavones in Instant Protein Soy Mix are retained during cooking and baking. This non-GMO soy protein is produced under an Identity Preservation Program (IPP), which means that the soybeans are tightly monitored and controlled from planting through processing. Contains no added artificial flavors, sweeteners, colors, or preservatives. Vegetarian formula.

**NOTICE:** Use this product as a food supplement only. Do not use for weight reduction. Shaklee recommends the clinically tested Slim Plan Gold™ product for weight management.

One serving of Instant Protein Soy Mix provides approximately the following amount of essential amino acids:

Histidine.....	440mg	Lysine.....	1060mg	Threonine.....	640mg
Isoleucine.....	830mg	Methionine.....	230mg	Tryptophan.....	210mg
Leucine.....	1,390mg	Phenylalanine....	890mg	Valine.....	850mg

**Directions:** *For Drinks:* Mix 2 tablespoons of Instant Protein Soy Mix in water, juice, or your favorite beverage.

*For Cooking and Baking:* So versatile you can add to soups, casseroles, pancakes, salad dressings and more. The isoflavones and other nutritional benefits of Instant Protein Soy Mix are retained during cooking. See the booklet under the package lid for great-tasting recipes. When using this product, cooking at a lower heat and adding extra liquid are recommended.

Product sold by weight only, not by volume. Settling will occur in shipping and handling.
