CHALLENGE:

Today, your skin is exposed to significantly higher levels of free radical damage from ultraviolet radiation and air pollution, which scientists worldwide now agree are results of global warming. The potential for additional damage stems from exposure to tobacco smoke, artificial UV light and pollution indoors, plus the chlorine and iron in tap water. What's more, as your skin ages, your skin's natural defenses can't keep up with the combined threats. Research shows that this cumulative damage shows on your skin as prematurely older looking skin – the wrinkles, fine lines, discolorations and dull, dry, flaky skin that you see in the mirror.

TIME REPAIR A.M. SPF 15:

As part of the revolutionary Enfusselle Anti-Aging Skin Care System, Time Repair A.M. provides a 5-in-1 treatment that meets all your skin's daytime needs for renewal, recovery, moisturization, nourishment, and protection:

- **Promotes smoother skin.** Beech Tree Bud Extract gently encourages natural cell turnover for the action of an AHA (alpha-hydroxy acid) without irritation, so skin becomes more luminous.
- **Evens skin tone, fades blotchy discolorations.** Exclusive blend of natural "phyto-brighteners" includes extracts of mulberry, strawberry geranium, grape, licorice, and scutellaria.
- **Visibly diminishes fine lines and wrinkles.** Intensive moisturizers plump skin natural ability to retain its own moisture. Provides an immediate moisture boost to the skin that is maintained for up to 24 hours.
- **Protects against free radical damage.** Patented Vital Repair+ (U.S. Patent No. 6,036,946) nourishes and protects with pure, derma-available antioxidant vitamins and more.
- **Protects against UV damage.** Exclusive, non-irritating, UVA/UVB system provides SPF 15 protection against future photoaging. Additional vitamin C provides a high level of support for the skin's natural defenses.
- **Specifically formulated for sensitive skin.**

WHO MIGHT BENEFIT FROM TIME REPAIR A.M.?

- Anyone concerned about prematurely older looking skin.
- People facing increasing environmental challenges, such as commuting by car or bus, working at a computer or under fluorescent or halogen lights, living or working with smokers, spending time in the sun, even washing their face with tap water.
- People interested in a clinically tested, anti-aging skin care system with demonstrated results.

HOW SHOULD TIME REPAIR A.M.® SPF 15 BE USED?

In the morning, use after cleansing, toning, and applying Enfuselle Eye Treatment. Smooth Time Repair A.M. onto face and neck. Using upward and outward strokes, gently massage into skin until completely absorbed. Avoid eye area. Follow with Enfuselle optional moisturizer as needed.

NOTE: If you have suffered grass allergies so severe that you have needed to consult with allergy specialists, be cautious when using Time Repair A.M. for the first time. Why? A very small number of people who have extreme allergies to certain grasses may experience skin irritation or itchy or watery eyes after using Time Repair A.M. due to its botanical extracts. Test by applying the product only to your jawline for a day or two. If unwanted conditions persist for several days, discontinue use.

WHAT'S IN TIME REPAIR A.M. SPF 15?

Active Ingredients: Octyl Methoxycinnamate, Benzophenone-3. Other Ingredients: Water, Glycerin, Octyl Palmitate (and) Titanium Dioxide (and) Alumina (and) Polyhydroxystearic Acid (and) Silica, Glyceryl Stearate (and) PEG-100 Stearate, Magnesium Ascorbyl Phosphate (source of Vitamin C), Cetearyl Octanoate, Cyclomethicone, Stearamine Oxide, Glyceryl Polymethacrylate, Water (and) Fagus Sylvatica Extract (Beech Tree Bud Extract), Dimethicone, Panthenol (Pro-Vitamin B₅), Tocopheryl Acetate (Vitamin E), Saxifraga Stolonifera Extract (Strawberry Geranium Extract) (and) Grape Extract (and) Mulberry Root Extract (and) Scutellaria Root Extract (Scullcap Extract) (and) Butylene Glycol (and) Disodium EDTA, Benzyl Alcohol, Retinyl Palmitate (Vitamin A), Superoxide Dismutase, Grape Seed Extract, Beta Glucan, Dipotassium Glycyrrhizate (Licorice Extract), Zinc Oxide (and) Octyl Palmitate (and) Polyhydroxystearic Acid, Sorbic Acid, Cetyl Alcohol, Stearyl Alcohol, Xanthan Gum, Coco Phosphatidyl PG-Dimonium Chloride, Methylparaben, Propylparaben, Butylparaben, Disodium EDTA.

IS THERE CLINICAL PROOF* THAT TIME REPAIR A.M. SPF 15 WORKS?

Enfuselle products have been clinically tested at independent laboratories.

Procedure: Enfuselle Time Repair A.M. SPF 15 was evaluated under clinically controlled conditions. 22 women and men between the ages of 30 and 70 used a regimen consisting only of their normal cleanser and Time Repair A.M. twice a day for a period of 84 days. The product was applied to one-half of the face in a controlled and supervised manner. The other half of the face served as the control.

Results:

- 245% increase in skin resilience and firmness in 4 weeks.
- 421% decrease in the appearance of fine lines of the skin in 4 weeks.
- 421% decrease in the appearance of skin wrinkles in 4 weeks.
- 37% increase in retained skin moisture in 84 days.
- A definitive evening of skin tone in 84 days.

Conclusion: Enfuselle Time Repair A.M. SPF 15 dramatically improves the appearance of the skin by increasing skin resilience, reducing the appearance of fine lines and wrinkles, and significantly reducing the visible signs of aging for all skin types.

*In half-face studies, bioinstruments were used to objectively measure the depth of fine lines and wrinkles on one side of the face where Enfuselle was being applied and compare these results to the control side where no skin care products or makeup were used. The results of the tests, due in part to rapidly changing climate conditions, were extraordinary: where no skin care or cosmetic products were used, the visible signs of aging became measurably deeper, while the skin treated with Enfuselle products steadily improved.
