Patented formula with broad-spectrum UVA and UVB protection shields skin from sun's harmful rays to help reduce the risk of skin damage and skin cancer. Regular use of this product minimizes visible lines, uneven coloration, dryness and dullness associated with sun exposure. Patented, age-defying Vital Repair+™ helps disarm free radicals, which can create prematurely older looking skin. Oil-free, quickly absorbed, water-proof lotion locks in moisture without leaving a sticky finish. Ideal for sensitive skin.

Tous types de peaux
Cette formule brevetée FPS 30 à l'épreuve de l'eau procure un vaste spectre de protection UVA et UVB tout en étant douce pour la peau sensible. L'usage régulier de ce produit minimise les rides, la décoloration, la sécheresse et l'aspect terne associés à l'exposition au soleil. Vital Repair+™ breveté défie l'âge en aidant à neutraliser les radicaux libres, qui peuvent faire vieillir la peau prématurément. La lotion sans huile, rapidement absorbée et imperméable, retient la moiteur sans rendre la peau collante. Idéale pour les peaux sensibles.
