Introducing Shakleebaby™ and Shakleekids™

**Introducing Shakleebaby™ - Always Safe. Always Gentle. Always Healthy.
Open Order 5/1**

Babies are the most precious gifts in the world. Keep yours happy and healthy with Shakleebaby. Safe, pure, and natural, our pediatrician tested baby care products are formulated to keep your little one's bottoms soft, itty-bitty toes clean, and growing body healthy.

Gentle Wash

Clean, fresh baby. This extra gentle wash is made with organic chamomile and lavender, pH balanced and sensitivity tested to shower even the most tender skin with love. 99% Natural; 76% Organic.

#30108 <http://www.shaklee.net/mimc/>

Soothing Lotion

So soft. Organic sunflower seed oil and shea butter moisturize, and organic chamomile and lavender soothe. 99% Natural; 87% Organic.

#30106 <http://www.shaklee.net/mimc/>

Diaper Rash Cream

Naturally soothing. Zinc Oxide protects baby's delicate skin from wetness, keeping skin healthy and dry, and helps heal diaper rash. Organic and natural oils keep skin hydrated and smooth while chamomile, aloe, and calendula extracts soothe. 99% Natural. 78% Organic.

#30109 <http://www.shaklee.net/mimc/>

Massage Oil

Perfect for massaging baby or moisturizing after a bath. With organic sunflower oil, lavender, and chamomile to moisturize and smooth. 99% Natural, 99% Organic.

GET CLEAN®

Safe for you, your home,
and your planet.™

32 oz. Pouch
Washes **48** Loads

Dispenser

Dish Wash Automatic Concentrate ☆

There are some things you'll never have to do again. Like wash a dish before you put it in the dishwasher. Use earth-adverse chemicals to get a dish clean. Or fill up that little detergent cup to overflowing. Here's a little pouch of nope, don't have to. And the formula is patented.

Benefits

- The deep, enzyme-activated cleaning power gently removes tough stains, leaving dishes and glasses sparkling clean.
- Superconcentrated — cleans 48 loads — just 2 teaspoons in each dispenser cup.
- No prerinsing needed — removes dried-on food and tough stains so they don't get stuck on.
- Dissolves quickly and completely, getting to work immediately.
- Comes in a handy, resealable pouch with measuring scoop.

Did you know?

Some products contain dry chlorine bleach that is activated when it encounters water in the dishwasher. Chlorine fumes are released in the steam that leaks out of the dishwasher, and they can cause eye irritation. Many automatic dishwashing detergents also may contain phosphates. Phosphates cause rivers and lakes to become clogged with masses of algae and weeds, depriving less aggressive plant and aquatic animal life of oxygen.

Get Clean Dish Wash Automatic Concentrate does not contain these hazardous ingredients and is a patented, phosphate-free formula.

Shaklee Difference

SAFE

- ✓ No chlorine bleach
- ✓ Fragrance free
- ✓ No toxic fumes
- ✓ No phosphates

POWERFUL

- ✓ Superconcentrated — cleans 48 loads
- ✓ Enzyme-activated formula — removes tough stains
- ✓ No prerinsing needed
- ✓ Dish Wash Concentrate is 85% more effective than Ecover® Dishwashing Liquid, 17% more effective than Palmolive, 72% more effective than Method® and 98% more effective than Seventh Generation® Dishwashing Liquid on grease-cutting.*

GREEN

- ✓ Naturally derived — enzyme and mineral-based ingredients
- ✓ Biodegradable surfactants
- ✓ No phosphates — patented formula
- ✓ No dyes
- ✓ Safe for septic tanks

PTPA provides an objective means to discover, appraise, and promote new products designed to enrich family living. Awards are presented to

companies whose products are deemed exceptional by a knowledgeable and unbiased panel of experts.

Dish Wash

Automatic Concentrate

Directions for best results

Save water and energy and use the dishwasher only when it's full. Use hot water (at least 140° F) to get things sparkling. Dirty surfaces should face spray jets. Don't block spray to top and back.

in normal water conditions

1 scoop (2 tsp.) to each dispenser cup. Scoop is included.
Note: In hard water, add 2 scoops (4 tsp.) per dispenser cup. For really hard water, go ahead and fill them up.

NO MORE PRERINSING Get Clean Dish Wash dissolves quickly fast and releases active cleaning agents early in the wash cycle. You might need to soak baked-on food.

CONCENTRATED Use just 1 scoop (2 tsp.) in each dispenser cup, unless dishes are super dirty. Other brands need 16 tsp. (2 full dispenser cups) for the same clean. Safe for use in septic systems.

Close securely after use. Make sure that items are dishwasher-safe before washing. Store in cool, dry place.

For ease of use, purchase a Dish Wash Automatic Concentrate Dispenser.
