# Instructions for Completing this Form

## Before completing this form:

Choosing a Name: The name you select for your DBA, General Partnership or LLC:

- May not be similar to an existing Distributorship name,
- May not imply other types or forms of businesses (i.e., Smith's Investment Company),
- May not use the trade name "Shaklee".
- May not imply or make improper health or other claims.

The following are examples of acceptable names: Valley Enterprises, Jones Company, Gomez Associates, Clark & Clark. Shaklee may reject a name if it is a duplicate or is deemed objectionable for any reason. There may be state or local laws or regulations concerning conducting a business in a name other than your own. For example, you may be required to file a fictitious business name statement.

Obtaining a Federal Employer Identification Number (F.E.I.N.): To operate as a General Partnership or LLC, Shaklee requires that you first obtain a F.E.I.N. from the Internal Revenue Service (IRS). To do this you must file an IRS form SS-4 Application for Employer Identification Number with the IRS. Important note: How you complete form SS-4 will change the way you file state and federal income tax returns once you start using your F.E.I.N. Shaklee encourages you to consult a tax advisor before completing form SS-4 or if you have any questions about doing business as a General Partnership or LLC.

---

## Check the appropriate box (DBA, General Partnership or LLC), and complete this form.

Fill in your **Federal Employer Identification Number (F.E.I.N.)** as it has been assigned to you on IRS Notice of Federal Employer Identification Number or IRS Letter 147 Confirmation of Federal Employer Identification Number. You can not use your trade name with Shaklee without also having this F.E.I.N.; and this F.E.I.N cannot be used for anything other than the Shaklee distributorship.

Fill in your **DBA, General Partnership or LLC Name** as it appears on your IRS Notice of Federal Employer Identification Number. The combination of your Partnership Name or LLC name and F.E.I.N. used with Shaklee must match exactly with your IRS records.

**Primary Social Security Number** is the social security number of the person who applied for the IRS Notice of Federal Employer Identification Number.

**Additional Partner Name & Signature** would include the names of all of the partners who signed your personal partnership agreement; you may use extra paper if necessary. All partners in a Shaklee General Partnership or LLC must also be current Shaklee Family Members.

**Shaklee Incentive Program Requirements:** In general, if two or more Business Leaders form a Combined Distributorship, limitations for any Shaklee incentive program placed on any prospective members of the Combined Distributorship prior to the combination will be placed on all members after the combination, and no limitations will be removed by means of the combination of distributorship.

**Celebration Information:** Only two members per team can qualify for a Shaklee Celebration. If one team, while operating as an individual distributorship has participated in a convention or other event which is limited to one-time attendance, no allowance will be made for the team that has not attended such convention or event, once the Combined Distributorship is formed.

**Bonus Car Information:** A Combined Distributorship can only qualify for one Shaklee Bonus Car. If two Business Leaders, who are both Shaklee Bonus Car drivers, form a Combined Distributorship, disposition of one of the Bonus Cars must be resolved prior to processing the formation. (This rule does not apply to Master Coordinators who are eligible to earn two cars.)

**Dissolution of Combined Distributorships:** Requests for dissolution of Combined Distributorships must be submitted on a Dissolution of Combined Distributorship form obtainable from your Customer Satisfaction Center.

Fee: \$50.00 administrative cost.

---

## After your DBA, General Partnership or LLC has been processed:

- Your F.E.I.N. This number should appear on all correspondence with the Home Office.
- Shaklee Records/IRS Form 1099-MISC. Shaklee records will list your distributorship under your DBA, General Partnership or LLC name as shown on this form. However, to conform with IRS requirements, your annual IRS Form 1099-MISC may include the names of both the DBA Partnership or LLC and the partner as shown on IRS Notice of Federal Employer Identification Number or IRS Letter 147C Confirmation of Federal Employer Identification Number.
- Reporting Any Mismatches or Changes In Required Information. The information on file with the IRS and in Shaklee records must always match exactly. Mismatches should be cleared up as soon as possible. Changes in required information must be reported to both the IRS and Shaklee. If the information on file with Shaklee and the IRS does not match, Shaklee may be required by the IRS to withhold income taxes from your bonus payments.
