Shaklee Distributor Application — Acceptance of this application by Shaklee allows the Shaklee Independent Distributor to purchase, sell, and be eligible to earn bonuses on the sales of the products of Shaklee U.S., Inc., and of AirSource, a division of Shaklee U.S. Inc. In addition, Distributors may sponsor others and have sponsorship rights with respect to their downlines, as described in the Statement of Privileges and Responsibilities of Shaklee Family Members (Shaklee P&R), and the Statement of Privileges and Responsibilities of AirSource Independent Distributors (AirSource P&R), regardless of whether their downlines sponsor in Shaklee or in AirSource.

Distributor Requirements — The business entity must reside in the United States and have a valid Federal Employer Identification Number (FEIN). Each partner, shareholder, officer or director of the business entity hereby agrees to be personally responsible for the actions of the distributorship and to guarantee its performance. Neither a partner, shareholder, officer, or director, nor the spouse of a partner, shareholder, officer, or director may have a separate Shaklee or AirSource Independent Distributorship. No additional purchase is necessary, and you are not required to make any financial investment to become a Distributor. Your distributorship must be renewed annually. Please notify Shaklee of any change in address or telephone number.

ID Number— FEIN is required as well as a copy of your IRS Form 9844 (Assignment of Individual Taxpayer Identification Number). You will be issued a unique Shaklee ID number that should be used for all communications with Shaklee including sponsorship.

Buying Products— As a Shaklee Independent Distributor, you can buy Shaklee and AirSource products at prices below suggested retail directly from Shaklee, from your sponsor, or from your Business Leader. (For AirSource purchase and pricing information, see the AirSource Order Form.)

Selling Products — Because Shaklee is a multilevel marketing company, Shaklee Members and Independent Distributors may not sell Shaklee or AirSource products directly or indirectly to or from retail stores or Internet auction sites. Nor may they sell products to Members and Distributors outside their Personal Group.

You Can Build a Business — Shaklee publishes an authorized compensation plan, which outlines the benefits and requirements of a Shaklee business. Information on how to build a Shaklee business is available from your sponsor and/or Business Leader.

Independent Contractor Status — Shaklee Independent Distributors are INDEPENDENT CONTRACTORS. Shaklee Independent Distributors are not employees of Shaklee, or of any other Shaklee Independent Distributorship, and may not so represent. Shaklee Independent Distributors, therefore, are not treated as employees for purposes of income tax withholding, Federal Insurance Contributions Act, the Social Security Act, or any other laws covering employees.

Unauthorized Claims — Shaklee Independent Distributors may not make claims about Shaklee products, the Shaklee compensation plan, AirSource products, or the AirSource compensation plan that are contrary to literature and labels published by Shaklee Corporation. The Shaklee P&R and the AirSource P&R, as amended from time to time, are incorporated in this Agreement. Review them carefully with your Business Leader since a breach may result in termination of your Independent Distributorship.

Inventory Return Policy — The Shaklee Guarantee, the AirSource Warranty, and the BestWater Warranty apply only to customer returns. If you decide to resign as an Independent Distributor, unused Shaklee and AirSource products and sales aids held in inventory for resale may be returned to the Business Leader who sold them to you or, if you ordered directly from Shaklee, directly to Shaklee within 30 days after your letter of resignation is acknowledged by Shaklee U.S. Inc. The products to be returned should be in good, salable condition; purchased less than two (2) years from the date of return in the case of Shaklee products, and one (1) year from the date of return in the case of AirSource products; unopened, with seals and labels intact (Shaklee products), or in new and unused condition (AirSource products); and show a printed expiration date on the label (if applicable) that is three months after the date of the return. Refunds on returned inventories are subject to a reasonable handling charge and deduction of any bonuses paid to you.

This Agreement is effective upon acceptance by Shaklee U.S. Inc., and is governed by the laws of the State of California. Georgia residents: Further information regarding Shaklee is on file with the state's Department of Consumer Affairs.

We agree to abide by the rules and terms set forth in the Shaklee P&R, as amended from time to time, and the AirSource P&R, as amended from time to time, and other Shaklee and AirSource publications, including any subsequent changes thereto about which Shaklee Business Leaders are notified. The Shaklee P&R can be found in the Member Center on www.shaklee.net and the AirSource P&R can be found at www.airsourcecentral.com.
