Dissolution of a Combined Distributorships

Requests for dissolution of a combined distributorship (DBA's, Partnerships, LLC's, or Corporate Distributorships) must be submitted in writing on the proper form to Sales Support, including the signatures of all departing and remaining members on record with Shaklee and comply with all provisions of Chapter 7 of the *Statement of Privileges and Responsibilities of Shaklee Family Members* (P&R) governing dissolutions of combined distributorships.

Rank

If more than one member of the combined distributorship is to remain active in Shaklee, the request must indicate which one of the former members is to retain the rank (if any) held by the distributorship entity. Only one former member may retain the rank and all of its associated benefits, such as UV/PV history for celebrations and car qualifications, etc. The bonus car will be assigned to the person retaining the rank.

Parallel Sponsorship Lines

When a combined distributorship is dissolved, all members remaining active will be reverted to the rank of Associate and placed Parallel to each other under the sponsor of the former Combined Distributorship.

If the former member is the adult child of a Member of the Combined Distributorship, the Parallel Rule will be automatically waived and the adult child will be placed vertically in the sponsorship line, directly below the parents' distributorship. Only the adult child or children (if a husband and wife team) will be moved. They may not take any additional Members or Associates with them unless a completed Reorganization Application is attached.

Division of First Level Members and Associates

(Applicable to Distributors who remain active and are NOT an adult child of a Member of the Combined Distributorship).

A list of First Level Members and Associates only (any Members and Associates below the first level will automatically go with the first level) listed by name and ID# who will remain with each Member of the Combined Distributorship remaining active, and signed by the person retaining the rank, must accompany the Dissolution of a Combined Distributorship form.

Special Review

Shaklee reserves the right to review and determine dissolutions of Key or Master Coordinatorships individually as an exception to the provisions of this section when deemed in the best interest of all members and Shaklee.

If all members of a distributorship entity on record with Shaklee cannot agree on the dissolution terms, Shaklee will require an order from a court or binding arbitration that specifies which one obtains the Business Leader rank and how the First Level Members and Associates are to be divided.

A \$50.00 administrative fee made out to Shaklee U.S., Inc. must accompany this request.
