Stress and Natural Vitamins

Job or employment stress. Today the job situation is at an all time high for stress. Not only are jobs falling away but competition to keep your job is fierce. Many people who have worked all their lives and built what they thought was a good retirement are now finding themselves on the stress and even retirement programs gone broke. Most people cannot afford to miss even one paycheck without falling behind on home bills. That is stress which hits hard. And the stress of looking for new jobs, well, often it is a joke with our tumbling economy.
