## SHAKLEE STAR-K KOSHER PRODUCTS!

# THE HIGHEST-QUALITY, KOSHER-CERTIFIED NUTRITIONAL PRODUCTS AVAILABLE!

**Quality represents everything that we do** at Shaklee, from searching the world for the best ingredients to ensuring that every ingredient that goes into a Shaklee product is thoroughly tested for purity, effectiveness, and quality. So, it's only natural that we offer products that adhere to the rigorous standards required for Star-K Kosher Certification.

☆ **PURE. POTENT. PROVEN. PAREVE.**

Shaklee products with the ☆ symbol undergo rigorous evaluation before they can be labeled kosher quality. A Rabbinic field representative from the world-renowned Star-K certification organization of Rabbis, food technologists, and field supervisors with the expertise and resources to execute the Laws of Kashrus routinely evaluates Shaklee products.

### STRINGENT CRITERIA FOR STAR-K CERTIFICATION.

- **Ingredients** — All ingredients within a manufacturing plant, whether they are for kosher use or not, are evaluated.
- **Production** — Much of our equipment is dedicated to the production of kosher products. Under certain conditions, equipment that also manufactures non-kosher ingredients must undergo Kosherization, a sanitation process that treats equipment with high heat.
- **Products** — If a new ingredient is added to a product, the product must be re-evaluated for Star-K certification.

The ☆ symbol signifies that the products meet all kosher requirements and are pareve — products that do not contain any form of poultry, meat, or dairy ingredients. The Star-K emblem is displayed on the label, ensuring *the highest standards of kashrus*. Star-K Certification is a guarantee that Shaklee kosher products are meat-free and pure!

### STAR-D INDICATES DAIRY.

Shaklee also offers several Star-D products, which are labeled with the Star-D emblem. Shaklee Star-D products and the equipment used to produce them undergo the same rigorous process to make them kosher, although they contain dairy products or dairy derivatives such as lactose, whey, or milk powder. This difference is clearly marked on every Star-D label, but it's also another example of the integrity you can rely on with every Shaklee product. Our Star-D products are *cholonv stam*.

SHAKLEE STAR-K KOSHER PRODUCTS ARE PERFECT FOR VEGETARIANS AND THOSE WHO ARE LACTOSE INTOLERANT AND/OR ALLERGIC TO INGREDIENTS DERIVED FROM MILK.
