Personal Consumption/Use Affidavit

Some products you purchase from Shaklee U.S., Inc., may be for *personal consumption/use*. This means that rather than reselling the product, you or your family members consumed/used the product. When both a **Personal Consumption/Use Affidavit** and a **Sales Tax Refund/Remittance Form** are properly completed and signed, the Shaklee Sales Tax Department can make a refund for the difference between the sales tax paid at purchase from Shaklee based on the SRP value, and the sales tax due based on SN, DN, or MN price actually charged to you by Shaklee for the product.

Item Code	Product Description	# of Units	Personal Consumption/Use			
			SRP Value		SN, DN, or MN Value	
Totals						

Instructions:

1. List those products personally consumed/used within the current 90-day filing period. Record both their SRP value and either the SN, DN, or MN price you were actually charged. Total both columns, sign and date the form, and include your Shaklee ID#, as indicated.
2. Transfer the totals from this form into their respective columns on the **Sales Tax Refund/Remittance Form** (available for purchase from the Customer Service Center).
3. Complete the **Sales Tax Refund/Remittance Form** according to the general instructions. Your name and address will be the same for the "original shipping destination" at the top of the form, and the "final product destination" in the body of the form.
4. When properly completed, a refund can be processed for the *difference between* the tax you paid at SRP and the tax actually due on personal consumption/use at your SN, DN, or MN purchase price.

Personal Consumption/Use Affidavit: I certify under applicable penalties of perjury that the products above were personally consumed/used by me and were not resold by me. As a result, I request a refund of the excess of the sales tax collected from me based on SRP and the tax due based upon my actual purchase price (SN, DN, or MN, whichever is applicable). I further understand that Shaklee reserves the right to reject any affidavit and refund request improperly submitted.
