Introducing Shakleebaby™ and Shakleekids™

**Introducing Shakleebaby™ - Always Safe. Always Gentle. Always Healthy.
Open Order 5/1**

Babies are the most precious gifts in the world. Keep yours happy and healthy with Shakleebaby. Safe, pure, and natural, our pediatrician tested baby care products are formulated to keep your little one's bottoms soft, itty-bitty toes clean, and growing body healthy.

Gentle Wash

Clean, fresh baby. This extra gentle wash is made with organic chamomile and lavender, pH balanced and sensitivity tested to shower even the most tender skin with love. 99% Natural; 76% Organic.

#30108 <http://www.shaklee.net/mimc/>

Soothing Lotion

So soft. Organic sunflower seed oil and shea butter moisturize, and organic chamomile and lavender soothe. 99% Natural; 87% Organic.

#30106 <http://www.shaklee.net/mimc/>

Diaper Rash Cream

Naturally soothing. Zinc Oxide protects baby's delicate skin from wetness, keeping skin healthy and dry, and helps heal diaper rash. Organic and natural oils keep skin hydrated and smooth while chamomile, aloe, and calendula extracts soothe. 99% Natural. 78% Organic.

#30109 <http://www.shaklee.net/mimc/>

Massage Oil

Perfect for massaging baby or moisturizing after a bath. With organic sunflower oil, lavender, and chamomile to moisturize and smooth. 99% Natural, 99% Organic.

#30107 <http://www.shaklee.net/mimc/>

Multivitamin & Multimineral Powder

One of the most comprehensive infant-toddler supplements available, it contains prebiotics to help promote a healthy immune system and bundles of vitamin D to support strong bones and teeth. Star-K Certified. *

#20057 <http://www.shaklee.net/mimc/>

* These statements have not been evaluated by the Food and Drug Administration. These products are not intended to diagnose, treat, cure, or prevent any disease.

Introducing Shakleekids™ - Supersmart. Supersafe. Supernutritious.
Open Order 5/1

Behold the powers of Shakleekids Mighty Smart and Incredivites! These dietary supplements are made with supersafe ingredients that bring out the best in kids, like rad vision, smart noggins, and a rockin immune system. *

Incredivites™

Shakleekids Incredivites is the first kids chewable multivitamin in the U.S. with lactoferrin, a protein that helps busy bodies' immune systems stay supercharged. Packed with 23 essential nutrients, it's one of the most comprehensive supplements available - with 600IU of vitamin D to support strong bones and teeth, and 100% of the daily value for vitamins C and E per serving. *

#20002 <http://www.shaklee.net/mimc/>

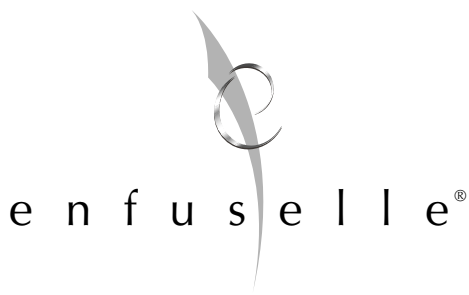

Note: Vita-Lea® Ocean Wonders™ will continue to be available.

Mighty Smart™

Shakleekids Mighty Smart is scientifically formulated with a power-packed blast of ultra-pure DHA. Essential for early brain development, this omega-3 fatty acid has been shown to support mighty memory, mad concentration, and fierce mind skills. Star-K Certified.

Skin Care Technical Bulletin
FOR LIPS & BODY

ANTI-AGING SOLUTIONS

STRESS-RELIEVING SKIN CARE SOLUTIONS

Your face isn't the only part of your body that faces the elements every day. Your hands, arms, feet, and legs are exposed to pollution and UV light every time you run errands, drive your car, take out the garbage, play golf, do yard work, and every other casual outdoor activity. Knees and elbows are particularly susceptible to irritation and chapping from contact with clothing and surfaces.

But now the skin support that you demand for your face is possible all over your body. The groundbreaking research, patented and patent-pending scientific developments behind the Enfuselle facial care line have been extended to a multi-benefit lip treatment and two body treatments that work together to protect against the visible effects of accelerated aging.

Benefits of these unique products include:

Lip Treatment SPF 15

0.15 oz—All Skin Types—#32517

- Helps smooth out vertical dryness lines
- Broad-spectrum SPF 15 defends against UV-induced collagen breakdown
- Softens and firms lips with vitamins C and E, plus borage oil, lysine, and calendula

Moisturizing Shower Gel

8 fl oz—All Skin Types—
#32516

- Patent-pending formula quickly cleans and soothes without drying
- Formulated with essential skin minerals copper, manganese, zinc, and other trace elements from the sea
- Hydrates with sea-botanical extracts
- Softens skin with vitamin E

Hand & Body Lotion

8 fl oz—All Skin Types—#32515

- Immediately visible results; improvement that lasts for 24 hours
- Selectively supports skin's naturally protective microflora with exclusive prebiotic
- Neutralizing phytic acid counters skin-damaging reactions triggered by iron in tap water
- Fortified with pro-vitamin B₅, known to help strengthen nails and cuticles
- Supports the skin's natural defenses against UV-induced collagen breakdown
- Normalizes and strengthens the skin's normal lipid barrier with vitamins A and E

- Soap free
- Dye free
- Allergy tested
- Dermatologist tested
- Won't clog pores
- Not tested on animals
- Contain no animal-derived ingredients

THE SHAKLEE UNCONDITIONAL GUARANTEE

If for any reason a Shaklee product is not satisfactory, return it to your Shaklee Independent Distributor or Shaklee Corporation, for exchange or full refund.

HOW DOES LIP TREATMENT SPF 15 WORK?

The skin on the lips is thinner and lower in melanin than the skin on the rest of the face. Lips also lack the sweat and sebaceous glands needed to naturally provide a protective oil-and-moisture layer. These differences mean that the delicate skin of your lips is particularly vulnerable to the drying and aging effects of the sun and environmental stresses.

This soothing and protective treatment may be used as needed (alone or under lipstick) to help minimize the appearance of fine dry lines and protect against peeling and chapping.

This nourishing treatment features a signature blend of ingredients that provide multiple benefits:

- **Vitamin C** — Research shows that vitamin C supports skin's natural defenses against UV-induced collagen breakdown, visibly improving youthful softness, firmness, and resiliency.
- **Vitamin E** — Intensely softening to create a silky and smooth texture. Research shows that vitamin E supports and protects the skin's natural oil/moisture barrier, improving skin's ability to retain moisture for a more youthful appearance.
- **Borage Oil** — Known for its skin-strengthening properties, borage oil contains essential fatty acids, offering exceptional emollient benefits.
- **Lysine** — An essential amino acid known for its ability to soothe environmental irritation.
- **Calendula extract** — A naturally purifying extract derived from the familiar marigold flower.
- **SPF 15** — Broad-spectrum UV protection in a sensitive skin formula.

HOW DOES MOISTURIZING SHOWER GEL WORK?

This patent-pending soap-free, pH-balanced cleanser gently cleans, soothes, and invigorates without drying the skin. Leaves skin feeling radiantly clean, hydrated, and conditioned. The luxurious gel formula lathers richly and rinses completely, and is designed for use in the shower or bath. Moisturizing Shower Gel features:

- **Sea minerals and botanicals**—Formulated with copper, manganese, zinc, and other trace elements, plus intensely hydrating sea-plant extracts. Creates a skin-reviving and stress-relieving shower or bath experience.
- **Vitamin E**—Combined with state-of-the-art moisture protectors, vitamin E improves the skin's ability to retain moisture and visibly boosts youthful softness.
- **Patented Vital Repair+™** (U.S. Patent No. 6,036,946)—Neutralizes free radicals to protect against prematurely older looking skin.

SCIENCE AND SEAWATER

Since ancient times, Mediterranean spas have offered the cleansing and rejuvenating benefits of seawater. Moisturizing Shower Gel utilizes this traditional "thalassotherapy" (Greek for "therapy from the sea") approach to infuse your skin with essential minerals and hydrating botanical extracts from the sea in a formula clinically shown to boost youthful softness and moisture.

BEFORE YOU GO OUTDOORS OR WHEN YOUR LIPS NEED SOOTHING:

- Apply Lip Treatment to your lips after completing your facial care regimen and before putting on any makeup.
- Dab your lips lightly with your fingertip just before applying lipstick.
- Wear Lip Treatment over your lip pencil for a nourishing, protective, lightly tinted gloss.
- Use Lip Treatment overnight to keep lips moisturized and help prevent chapping.

FOR GENTLE ALL-OVER BODY CLEANSING:

- **In the shower**—Smooth on body with exfoliating puff or clean cloth. Gently lather, then rinse.
- **In the bath**—Add to running water.
- After drying, follow with Enfuselle Hand & Body Lotion.

HOW DOES HAND & BODY LOTION WORK?

Household chores, exposure to the elements, and frequent health-conscious handwashing can all spell accelerated aging for hands. In fact, the backs of your hands are areas where your skin is thinnest, and at the same time, more often exposed to harsh weather and UV light than the rest of your body.

Other areas of the body frequently exposed to the elements include the back of the neck, shoulders and arms, legs and feet. In addition to UV light and pollution, skin on many parts of the body is also routinely exposed to potential abrasion and irritation from clothing, shoes, work surfaces, and flooring or outdoor dirt, gravel, concrete, rough wood decks, and pavement. All in all, we give our body skin more of a workout than we realize... and we need to give it extra care to support and protect its naturally youthful look and feel.

Enfusselle Hand & Body Lotion protects and nourishes skin with an intensely moisturizing formula featuring signature ingredients that provide four unique benefits:

- Neutralizing phytic acid counters skin-damaging reactions triggered by iron in tap water. One of the most damaging free radicals that can potentially attack skin is the hydroxyl radical, which is formed when the iron in tap water reacts with the hydrogen peroxide that is a naturally occurring component of healthy skin. The phytic acid in Enfusselle Hand & Body Lotion is a unique botanical ingredient designed to “turn off” this specific reaction which forms hydroxyl radicals. It is crucial that this particular ingredient be applied to the surface of the skin immediately after cleansing in order to neutralize the damaging reactions that could be initiated by the iron in the tap water used to wash your hands or body.
- A targeted botanical “pre-biotic” helps selectively nurture the beneficial microorganisms that naturally flourish on the surface of the skin. By helping to stabilize and strengthen the skin’s natural ecosystem, this unique ingredient supports your skin’s first line of defense against external aggressions including pollution, climate extremes, and intensive use of detergents or soap.
- Patented Vital Repair+™ (U.S. Patent No. 6,036,946) fights free radicals to protect against prematurely older looking skin.
- Fortified with pro-vitamin B₅, known to help strengthen nails and cuticles.

Light and quickly absorbed, Hand & Body Lotion leaves skin feeling soft, smooth, and conditioned. Contains no sunscreen.

See the Sun Care Product Brief for information about Enfusselle clinically proven sun care products featuring patented (U.S. Patents No. 6,015,548 and No. 6,036,946) and broad-spectrum UVA and UVB protection and the exclusive comprehensive antioxidant protection of Vital Repair+.

WHEN YOUR SKIN NEEDS MOISTURE:

- Use after shower and after washing hands to combat free radical damage from the iron in tap water.
- Apply liberally to hands and body; gently massage into skin and cuticles.
- Use as needed to soothe and moisturize dry, rough, or chapped skin for a more youthful look and feel.
- Follow with Enfusselle SPF 15 for Body or SPF 30 for Body for non-irritating and extremely effective sun protection when needed.

WHAT IS VITAL REPAIR+?

The seven signature ingredients in Vital Repair+ confer seven extraordinary benefits which have been clinically proven to sustain the look of healthy, youthful skin and reverse the visible signs of accelerated aging:

- **Vitamin E**—The front line of your skin’s natural antioxidant self-defense system. Promotes visibly youthful softness and suppleness.
- **Vitamin C**—Works to firm and strengthen skin by supporting your skin’s natural defenses against UV-induced collagen breakdown. Vital Repair+ features a highly derma-available form of pure vitamin C to optimize absorption and utilization.
- **Vitamin A**—Increases skin’s ability to retain moisture; helps minimize the appearance of sun damage.
- **Panthenol (pro-vitamin B₅)**—Dramatically increases skin’s natural ability to repair its appearance.
- **Grape Seed Extract**—Powerful botanical antioxidant blocks enzymes which break down collagen. Supports the skin’s ability to recapture firmer-looking contours.
- **Superoxide Dismutase (SOD)**—Neutralizes the free radicals that visibly age skin the fastest.
- **Beta Glucan**—Exceptionally soothing to naturally and gently minimize environmental irritation.

Patented Vital Repair+ (U.S. Patent No. 6,036,946) actually breaks each link in the chain of free radical damage to defend against the visible signs of accelerated aging.
